Exhibitor Prospectus

Live-Interactive-On-Demand • December 3-6, 2020
You're Invited to the 18th WCIRDC!

You are cordially invited to become an exhibitor of the 18th World Congress on Insulin Resistance, Diabetes and Cardiovascular Disease (WCIRDC) to be held on December 3-6, 2020 online at wcir.org.

WCIRDC is a unique and exciting multidisciplinary program dedicated to diabetes, obesity, lipids, cardiovascular disease and energy balance. The program is designed to evaluate the existing clinical and basic science, understand pathophysiology, and develop appropriate comprehensive clinical management plans.

Expand your company's appreciation and expose your products and services to over 1,500 healthcare professionals! Interact virtually with globally-recognized medical leaders, clinicians and scientists who will present and share their knowledge!
